

Tikkun Olam

(Repair The World)

In a world that needs to change,
If we can sing together,
Whatever we have to say,
Can only make it better.

And if we look inside us,
Deep enough then we will see,
The kind of kindness that we need.

Tikkun Olam,
When we cannot heal what's broken on our own.
Tikkun Olam,
And we cannot close our eyes,
we've got to make it known that...
We can believe in better.

We can make the magic together.
We can feel the love forever.
We can repair the world.
Tikkun Tikkun Olam

Together we make a space,
So that the people around us
Can go at their own pace,
And we can let hope surround us.

Just take a look outside
And you will see that we're a part
Of an all inclusive sky, full of stars

Tikkun Olam,
When we cannot heal what's broken on our own.
Tikkun Olam,
And we cannot close our eyes,
we've got to make it known that...

We can believe in better.
We can make the magic together.
We can feel the love forever.
We can repair the world.
Tikkun Tikkun Olam

Tikkun Tikkun Olam,
Tikkun Tikkun Olam,
Tikkun Tikkun Olam,
Tikkun Tikkun Olam.

We can repair the world
Tikkun Tikkun Olam
We can repair the world
